## Ordering Your Albums

Once you have finalized your main wedding album and have decided on duplicates that you, friends and family would like please email us at [design@lianalehman.com](mailto:design@lianalehman.com) with your desired payment plan choice. Duplicates are only available with the purchase of a main album and orders should be placed the same time to take advantage of the discount shown here. Once your payment is in place, your album is retouched, printed, and binded. This process generally takes 4-10 weeks depending on album type ordered and time of year.
